## LAURENT-PERRIER CUVÉE ROSÉ

---

Using the highest quality Pinot Noir grapes, this iconic rosé is one of the few rosé champagnes that is made by drawing the juice from black grapes in the vat, instead of blending red and white wines. This gives it the highly expressive bouquet and delicious raspberry and wild cherry flavours that have made it a benchmark for rosé champagnes around the world.

## LAURENT-PERRIER BLANC DE BLANCS BRUT NATURE

---

A showcase in Laurent-Perrier's expertise with Chardonnay. The concentrated palate is crisp and fresh, with slightly fuller citrus notes of grapefruit leading into mineral overtones on the long finish. Exceptional pairings include crustaceans, noble fish, and other salty or citrusy dishes.
